

# THE DEMOGORGON CIRCUIT

## Task 3 – “The Silent Typist Trial”

### Objective:

Demonstrate **absolute keyboard control**. Navigate, search, translate, and document — **without touching the mouse**.

---

### Challenge Rules:

This is a **Keyboard Only Challenge**. (**Mouse usage is strictly not allowed.**)

You must complete the following steps:

1. Open a web browser using only keyboard shortcuts.
2. Navigate to the address/search bar.
3. Search for **Google Translate**.
4. Open the official Google Translate website.
5. Select the input text area.
6. Type exactly: **“We are currently in Fusion Tech Club's Event”**
7. Translate the sentence into **French**.
8. Select and copy the translated French output.
9. Open **Notepad** using only the keyboard.
10. Paste the copied French text into Notepad.
11. Below it, type the original English sentence again.
12. Save the file in the **Downloads** folder.
13. Name the file exactly: **“hard\_to\_use\_keyboard”**
14. Show the saved Notepad content to the volunteer.

## **Scoring System:**

- Correct French translation
- Original English sentence
- Correct file name
- Correct save location (Downloads)

Fastest accurate completion wins.

Accuracy errors (**wrong language, wrong file name, wrong folder**) will result in time penalties.

---

## **Important Instructions:**

- Mouse usage is strictly prohibited.
- Only one team member operates the keyboard.
- The second member may assist verbally. You may swap the roles at any time.
- Volunteers may monitor screens randomly.
- Any rule violation = **Immediate Disqualification**
